

Starting the New Academic Year with a Treasured Meeting

On hearing of his appointment, all the members of PPIB at UMS-KAL were keen to meet the new Dean, Assoc. Prof. Dr. Ismail bin Ali in person. Their wishes were granted when Dr. Ismail agreed to chair the first PPIB KAL meeting on 14 January 2011. Smiles were on everyone's faces during this first meeting. Dr. Ismail was accompanied by Pn. Wardatul Akmam Din, Deputy Dean of Academic Affairs and Internationalisation; Dr. Lai Yew Meng, Deputy Dean of Research and Innovation; and our Senior Assistant Registrar, En. Mohd. Wazir Shafie Hj. Aliasah. All those present were in high spirits and regarded the Dean's visit as a blessing. While the meeting was short, it was valuable and informative. Consequently, it is hoped that such meetings can be held more frequently in future.
