

# CURRICULUM REVIEW WORKSHOP

A Workshop on "Curriculum Review" was organized by the Department of Medical Education and Bioinformatics on 12<sup>th</sup> -14<sup>th</sup> September 2008 at the Kudat Golf Marina Resort, Kudat. The participants were our medical students, lecturers and our adjunct professors

This workshop emphasized on the review of the feedback of medical students regarding curriculum and the recommendation of external evaluators of this school. At the end of the workshop, all the participants agreed that the previous curriculum need modification and addition for a better curriculum in near future.
