

CARING TEACHER PRODUCE GREAT GRADUATES...

School of Medicine initiated the Clinical Skills Laboratory Year 2 Manual workshop in light of the brainchild given by our Dean, Prof Dr Osman Ali. It was organized by our CSL Coordinator, Dr Challa Venkata Rao. The workshop was held on 8-9 November at Beringgis Beach Resort, Papar. The main purpose of this workshop was to improved CSL Manual for year 2 student. All the participants was divided into 2 groups which are Medical team, chaired by AP Dr D Kamarudin D Mudin and surgical team, conducted by AP Dr Zainal Ariffin. At the end of the workshop, they comes out with the new improved CSL Manual for Year 2. The new version manual will be the practical guide for the students as well as the lecturers, when the Semester II CSL activity starts.
