

UMS TEAM BAGGED 2ND RUNNER UP IN THE 1ST NATIONAL INTERNSHIP CHALLENGE RACE 2007

UMS team which was represented by 7 students from School of Business & Economics recently emerged as 2nd runner up in the 1st National Internship Challenge 2007 held at One Utama on 13-14 August recently. The students were Andrew Lee Kar Poh, Alan Kwan Wai Ming, Chan Ming Derk, Siew Wai Kuan, Lo Peak Wang, Teoh Jia Hui and Lee Chui Ping. For their efforts, they received a trophy and RM1000 cash which was shared among themselves. The concept of the competition was quite alike the 'amazing race' concept whereby students are given a few tasks to be completed within a set time. Its objective is to expose the students with challenges especially in dealing with corporate clients. The competition was organized by Job Market Malaysia, a company that provides website portal especially for students looking for internship, which they have more than 3000 companies in their record and database mainly in the financial and corporate sector. The team leader, Andrew said, " it has been an invaluable experience as the competition has sharpen our business thinking and dealing in corporate world, furthermore it gives me a chance to lead and work as a team! The team was accompanied by lecturer, Mr. Arif @ Kamisan Pusiran, who was really proud of the students for their achievement in their first attempt.
