4th Sports Carnival SPU 2011

SPU Sports Carnival is an annual event of the School of Medicine, UMS. This year, July 6th was chosen as the month for SPU sports Carnival. Groups’ distributions remained like last year, that is, Azuma, Borneo Star and Cheetah. However, new category of sport events was added such as scrabble and tug of war competition. Most events were held on weekends to avoid interference of staff’s daily functions.

Sabah Innovative & Creative Conventions

By: Starrine

The Malaysian Administrative Modernization and Management Planning (MAMPU) organized a Sabah Innovative and Creative convention, which was held in the Sabah Federal complex on 18th to 19th July 2011. The convention was divided into Management and Technical categories that were participated by 16 groups including the INTAN Sabah, Universiti Malaysia Sabah, Sabah Cocoa Board, government hospitals, Royal Malaysian Navy, Veterinary department, department of Public Services and others.
