**SATURDAY, 09 NOVEMBER** – The School of Psychology and Social Works (SPKS) Universiti Malaysia Sabah (UMS) is offering Speech Therapy Session and Applied Behaviour Analysis (ABA) Session for children who are experiencing developmental problems.

In a statement issued by the School, the sessions will be held every Tuesday and Wednesday at the Cognitive Lab and Children's Development Lab SPKS.

The statement also said that both the therapies were chargeable at reasonable rates. For the Speech Therapy which is in a duration of 30 minutes, the fee is at RM50 per session whilst for ABA at RM80 per session which is for a duration of two hours.

For further information, please contact SPKS officer, Noorma Razali at 088-320000 ext 8845 or through fax at 088-320101.

The Speech Therapy is useful for children with speech difficulties whilst ABA for children with Autism. – SS
