**FRIDAY, 26 SEPTEMBER** – 'Likes' for Universiti Malaysia Sabah (UMS) official Facebook page has now reached 20,000 since yesterday.

The total was seen to have increased rapidly since the results of the Higher Learning Institutions (IPTA) were announced by the Ministry of Education Malaysia (KPM) in the middle of the year.

Besides providing information on campus activities, the social website also share collection of photos on UMS campus environment and landscape.

Facebook is one of the communication medium between the university and students including community who need further information on education in UMS.

UMS known to have an ecocampus environment celebrates its 20<sup>th</sup> anniversary this year since its inception in 1994. – (fl)
