MONDAY, 19 AUGUST – Universiti Malaysia Sabah (UMS) staff were told to practice multitasking in order to be relevant in line with their Key Performance Indicator (KPI).

This was stated by the new Chairman of Board of Directors, Tun Dato' Seri Zaki Tun Azmi in a Luncheon Talk with Non-academic staff of UMS at the Chancellery Building of this EcoCampus University.

He said the present KPI would also need to be higher and to reduce bureaucracy in order to achieve the best for each task.

At the same time, the former Chief Justice of Malaysia urged UMS staff to increase revenue for the university, reduce expenditure, improve efficiency and reduce wastage.

“One example in reducing expenditure is to reduce the usage of papers which will surely help lower our expenditure and helps with recycling,” he said.

Also present at the talk were the Vice-Chancellor, Prof. Datuk Dr. Mohd Harun Abdullah, Principal and Senior Officers of the university. - *FL*
