THURSDAY, 6 AUGUST – The Student Affairs Department, Universiti Malaysia Sabah (UMS) continues to provide guidance to students in developing their self-esteem and personality.

This was stated by the Deputy Vice-Chancellor of Student Affairs and Alumni, Associate Professor Dr. Ismail Ali at the official closing ceremony of the Leadership and Management Course for the upcoming Students Orientation Week 2015/2016 (BIMBING), recently.

Dr. Ismail, who was represented by the Executive Director of the Student Orientation Week (MSM) 2015/2016, Associate Professor Dr. Rasid Mail added that staff of the department would always educate, nurture and develop the discipline as well as morals of students besides ensuring their welfare.

“HEP will continue to support and help students to be more successful in terms of self development and to apply the values of first-class human capital,” he added.

The one-week course was held at the Multipurpose Hall of Tun Fuad Residential College and attended by 45 students as preparation for the registration of new students in September.

Also present was the Head of the Student Affairs Department, Azmi Jumat. – ZMD (fl)
