

# "Inovasi Menjana Transformasi" : Blazing Towards Globalization

By: Norlina Kamis

The warmth of the UMS Innovation Award Ceremony 2010 is felt by the community of the Universiti Malaysia Sabah which was held at the Dewan Kuliah Pusat 1, on the 3rd November 2010. This glittering ceremony was officiated by Brig. Jeneral Prof. Datuk Seri Panglima Dr. Kamaruzaman Haji Ampon, the Vice Chancellor of UMS and other guests of honour. The event began with a speech by the Vice Chancellor and the interesting presentation from the School of Arts community.

A total of eleven awards were listed, including Best Web Site Award, Best Financial Management Award and Best Office Management Award.

The School of Medicine won the Best Financial Management Award and has maintained the title for two years. In addition, the award for UMS Book Publication for the category of Science, Technology and Medicine, the first runner-up won by Prof Dr. Osman Ali, the Dean of the School of Medicine with his book entitled "Asas Kesihatan Masyarakat".

The second runner-up won by Prof. Dr Perumal Ramasamy with his book entitled "From Molecules to Memory" published in early 2010.

The Vice-Chancellor's Innovation Award was won by the UMS Library; however, this will not fade the spirit of teamwork among the SPU staff towards achieving success. This prestigious ceremony ended at 11.00am and proceeded with the audience singing the UMS "Bertekad Cemerlang" and visit to the exhibition corner.

First Runner-up for Book Publication Award: Prof. Dr. Osman Ali

Second Runner-up for Book Publication Award : Prof. Dr Perumal Ramasamy
