Patrick Laing Ngu

UMS among universities to implement Foodbank

PUTRAJAYA: The Ministry of Finance (MoF) has approved a special allocation of RM5 million to the Ministry of Domestic Trade and Consumer Affairs to implement the Foodbank Malaysia programme for the bottom 40 per cent of the household income group (B40), including students at 20 public universities.

Finance Minister Lim Guan Eng said the allocation would be used to purchase 14 refrigerated lorries for logistics purposes.

"This is a private-public sector initiative to expand the reach of foodbanks set up by non-
governmental organisations and the private sector," he told a press conference with the other state officials after the successful completion of the Samurai Bonds issuance by the Malaysian government here yesterday.

Lim said the allocation would also be used to provide assistance to the needy.

Domestic Trade and Consumer Affairs Minister Datuk Seri Saifuddin Nasution said the Foodbank Malaysia programme kicked off at Universiti Kebangsaan Malaysia on Feb 26 and Universiti Malaya on March 7.

He said the programme would be extended to Universiti Putra Malaysia on March 10, Universiti Teknologi Mara Penang (March 20), Universiti Malaysia Pahang (April 3), Universiti Sains Malaysia (April 8), Universiti Utara Malaysia (April 15) and Universiti Malaysia Sabah (April 20).

Under the programme, the Ministry of Domestic Trade and Consumer Affairs will supply the ingredients to the student associations who would provide the manpower to prepare and distribute the food.
