Foodbank

PTUJAYA: The Ministry of
Finance (MoF) has approved a
special allocation of RM3 million
to the Ministry of Domestic
Trade and Consumer Affairs to
implement the Foodbank Malaysia
programme for the bottom 40 per-
cent of the household income
group (B40), including students at
20 public universities.

Finance Minister Lim Guan
Eeng said the allocation would
also be used to purchase 14 refrigerated
kitchens for logistics purposes.

"This is a private-public sector
initiative to expand the reach of
foodbanks set up by non-
governmental organisations and
the private sector," he told a press
conference in conjunction with
the successful completion of the
Samurai Bonda issuance by the
Malaysian government, here
yesterday.

Lim said the allocation would
also be used to provide assistance
to the needy.

Domestic Trade and Consumer
Affairs Minister Datuk Seri
Saifuddin Nasution said the
Foodbank Malaysia programme
was kicked off at Universiti
Kebangsaan Malaysia on Feb 26
and Universiti Malaysia on March 7.

He said the programme would
